Deliverable description: Fully functional digital platform for the Teacher Digital Academy including the modules of My Challenge and the Learning Community.

The prototype will be prepared and configured with users data that will be participating in pilot 1 (in-service teachers).

Main features:

- Reporting and management of challenges due to in-service teachers.
- Social-network based Learning Community.

Format: website and app

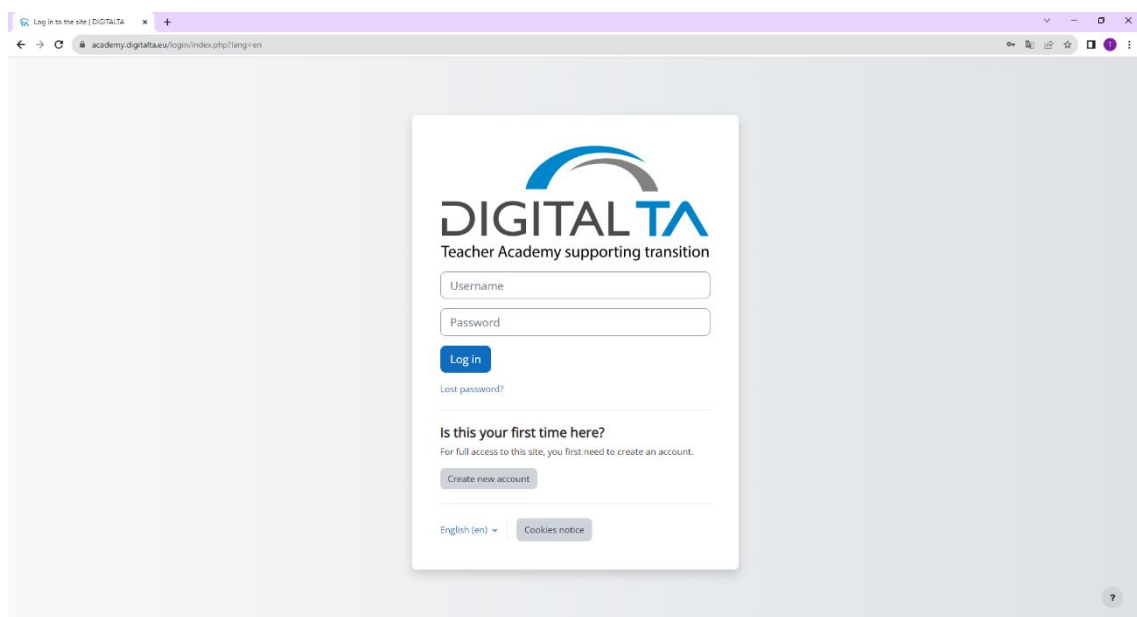

Language: English

---

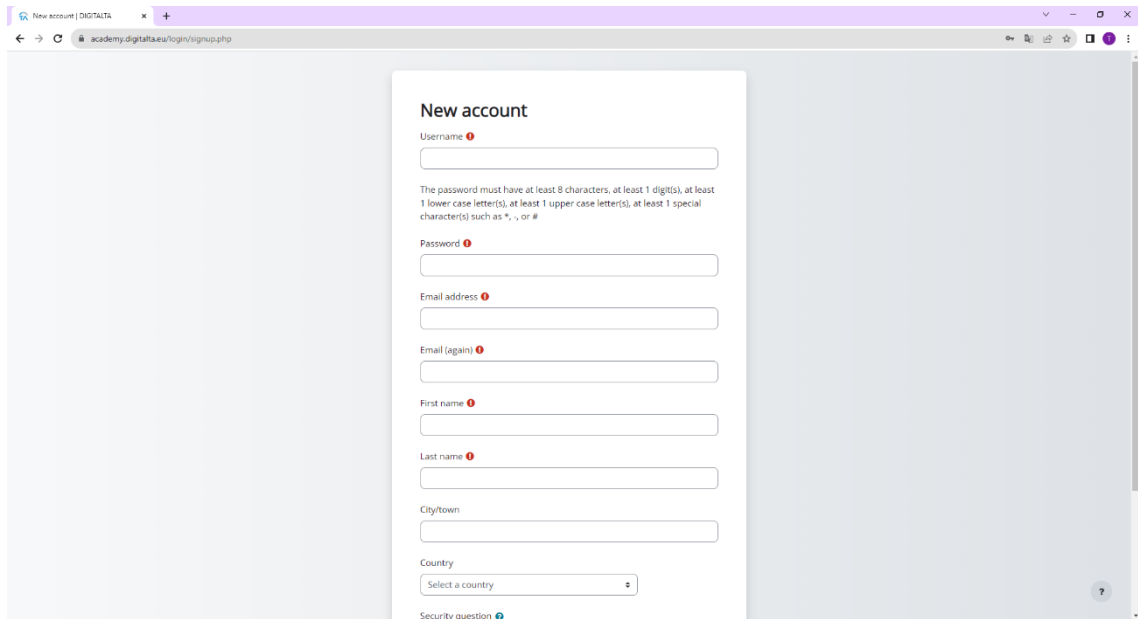

Deliverable available here: <https://academy.digitalta.eu/login/>

Steps for the navigation in our first version of the platform:

1. Open the link: <https://academy.digitalta.eu/login/>

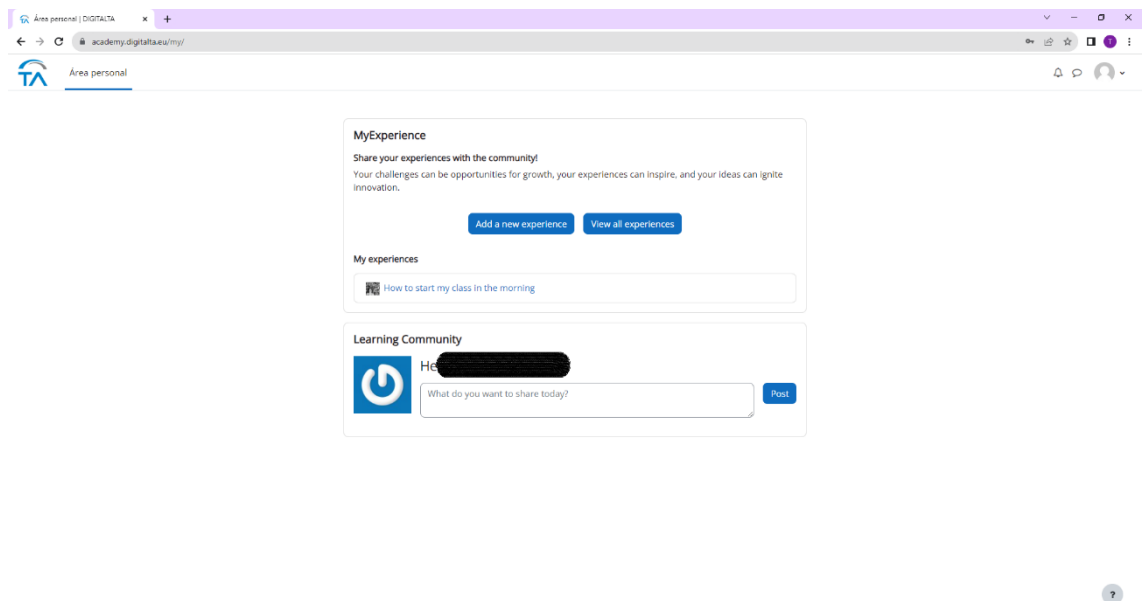

## 2. Create your account

The screenshot shows a web browser window with the URL `academy.digitalta.eu/login/signup.php`. The page title is "New account | DIGITALTA". The main content is a registration form titled "New account" with the following fields and instructions:

- Username**: A text input field.
- Password**: A text input field. Below it, a note states: "The password must have at least 8 characters, at least 1 digit(s), at least 1 lower case letter(s), at least 1 upper case letter(s), at least 1 special character(s) such as +, -, or #".
- Email address**: A text input field.
- Email (again)**: A text input field.
- First name**: A text input field.
- Last name**: A text input field.
- City/town**: A text input field.
- Country**: A dropdown menu with the text "Select a country".
- Security question**: A link to help with account recovery.

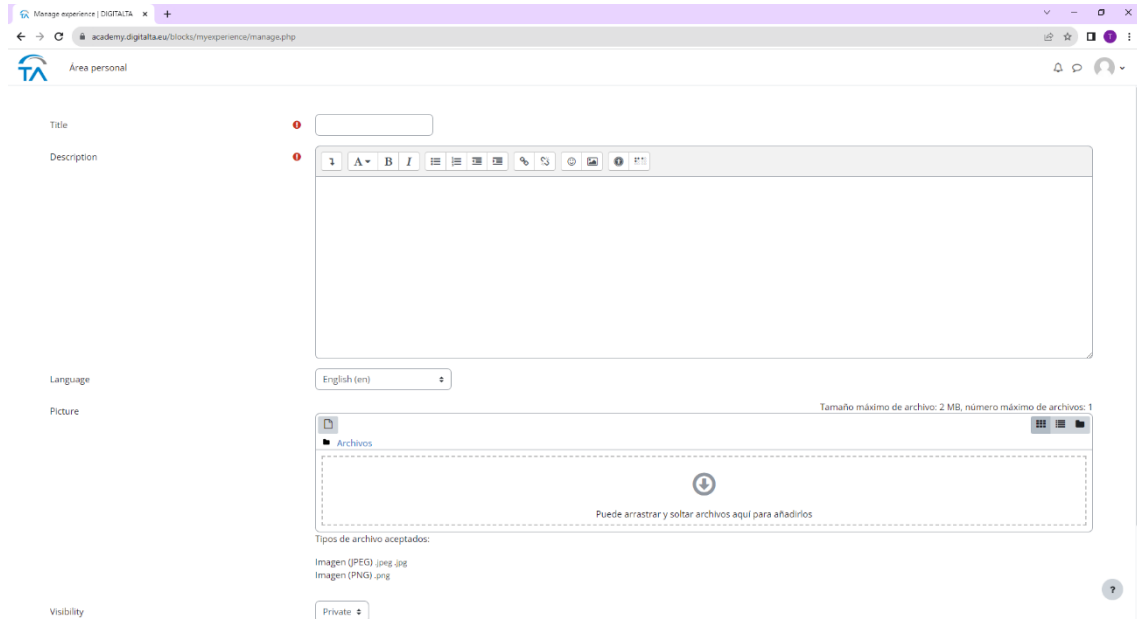

## 3. Access to your dashboard: *My Experience (MyChallenge)* module

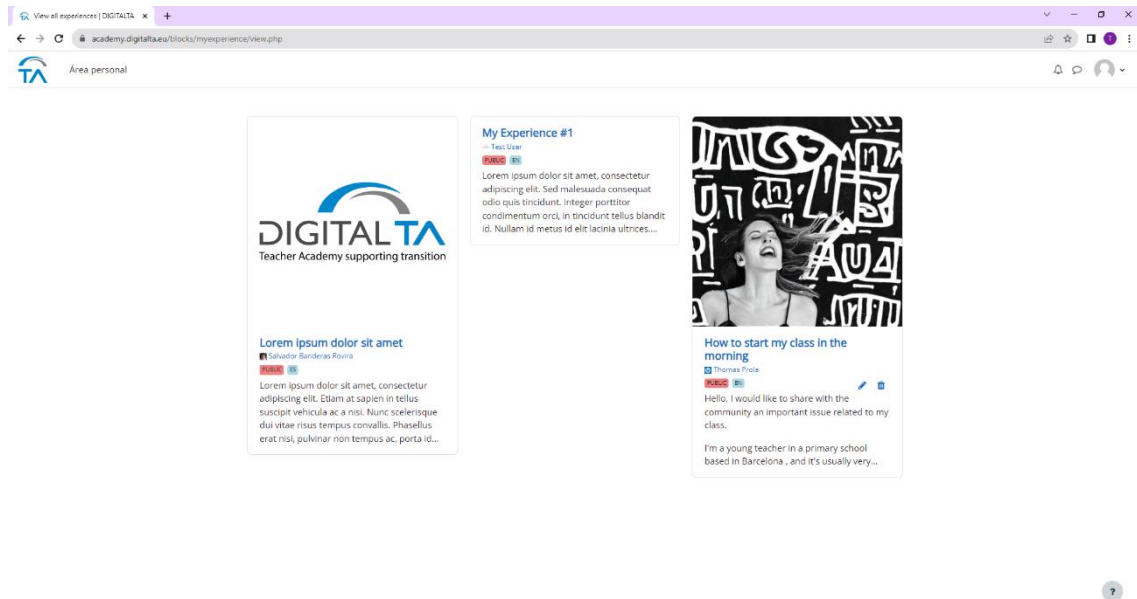

The screenshot shows a web browser window with the URL `academy.digitalta.eu/my/`. The page title is "Área personal | DIGITALTA". The dashboard content includes:

- MyExperience**: A section titled "Share your experiences with the community!" with the subtext "Your challenges can be opportunities for growth, your experiences can inspire, and your ideas can ignite innovation." It contains two buttons: "Add a new experience" and "View all experiences".
- My experiences**: A list of user-generated content, with one example titled "How to start my class in the morning".
- Learning Community**: A section for sharing thoughts, featuring a profile picture of a user, a text input field with the placeholder "What do you want to share today?", and a "Post" button.

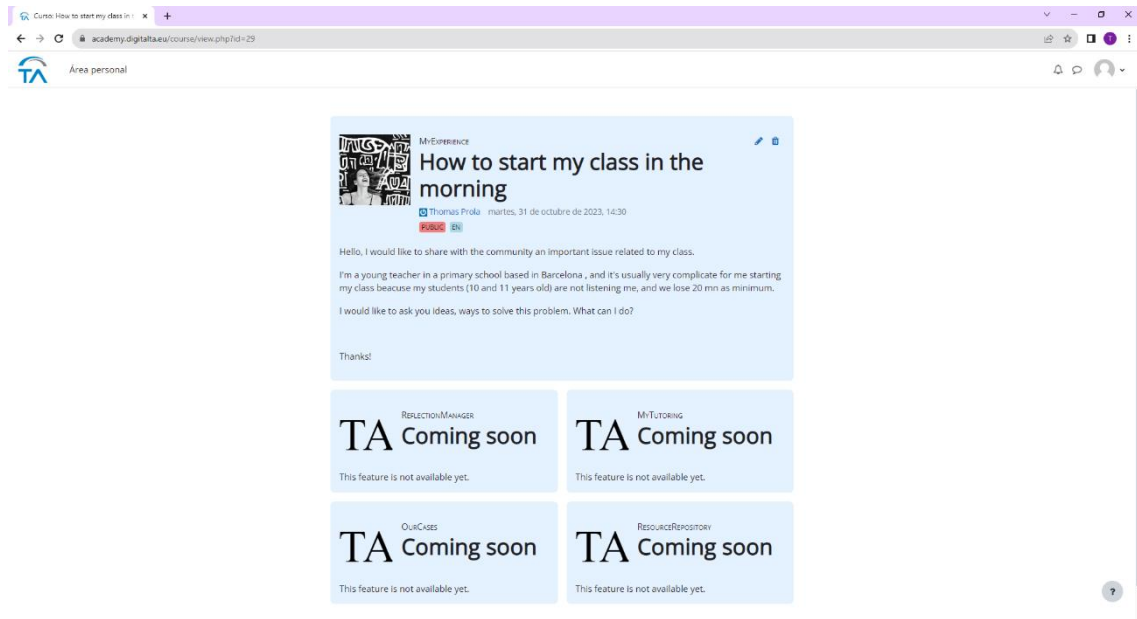

## 4. Create your experience and share with the learning community

## 5. See the experiences of the learning community

## 6. Click on an experience related to your challenge

The four modules related to the experience are being developed for the platform v2 (deadline: 31<sup>st</sup> may 2024).
